TICKLING TECH SCHEDULE

Every **Tuesday**, at any period of the day, stop by the Media Center to learn a cool new trick with technology. One computer will be set up to let faculty try it out. If you don't have time, just stop by to pick up a handout. Older handouts are located in Ms. Barber's office OR online <http://www.tuckerhs.dekalb.k12.ga.us/TicklingTech.aspx>

OFF TO A GREAT START!

Thank you to everyone who stopped by a quick explanation of editing your email signatures AND creating a private email list. It's easy! And the Triple Berry Summer Buttermilk Bundt was good too.

MEDIA CENTER PASSES

Please check your email for Media Center passes or stop by to pick some up. They will **not** be handed to a student. Thank you!

COMING SOON: ONLINE SCHEDULING

The Media Center is experimenting with a new online scheduling system. More information coming soon to an email near you!
